# Permanent Attractions in Winnipeg

**WINNIPEG ART GALLERY** — Presently located in the Civic Auditorium at St. Mary Ave. and Vaughan St., the gallery is to have a new building of its own by 1970. It contains a fine collection of Canadian and European paintings and loan exhibits are featured from time to time. Hours: 9 a.m. to 5 p.m. weekdays; Tuesday and Thursday evenings (except on concert nights) 7:30 to 9:30 p.m.; 2 p.m. to 5 p.m. Saturdays; during June, July, August weekdays 9 a.m. to 4:30 p.m.; Sundays 2 p.m. to 5 p.m.

**ASSINIBOINE PARK** — This 362-acre park has many fine attractions including playgrounds, picnic sites, a miniature railway, a duck pond, an English garden, a conservatory, a refreshment pavilion and a zoo rated as one of the finest in Canada. The conservatory contains many exotic plants and features a spectacular chrysanthemum display in November and a popular Easter lily show annually. It is open daily from 8 a.m. to sundown. The zoo features over 100 species of animals and birds including native animals and a special children's section, Aunt Sally's Farm.

**CANADIAN HANDICRAFTS GUILD** — Fine handcrafted articles—woven goods, wood turnings, leather work, wood carvings, pewter and silver pieces, needlework, ceramics, Eskimo carvings and Indian buckskin work are on sale at 183 Kennedy St. Open daily Monday to Saturday, 10 a.m. to 4:30 p.m.

**CANADIAN PACIFIC RAILWAY YARDS** — These are the largest privately operated railway yards in the world and should be of particular interest to railway buffs. The yards may be seen to advantage from either Salter or Arlington bridges.

**CENTENNIAL CENTRE** — To mark Canada's 100th birthday a giant cultural complex is being built in downtown Winnipeg. When completed the centre will include a concert hall, planetarium, museum and other facilities. Estimated cost of the entire project has been calculated at more than \$15 million.

**CITY HALL** — In Winnipeg's new city hall on Main Street, the administrative and legislative functions have been located in separate buildings which are linked by an ornamental mall. Tours may be arranged by phoning the mayor's office 946-0196.

**COUNTESS OF DUFFERIN (C.P.R. No. 1)** — The first locomotive in Western Canada stands in front of the C.P.R. station on Higgins Ave. This old wood burner arrived in St. Boniface on October 10, 1877. The locomotive, tender, flat cars, and caboose, all mounted on a barge, were pushed down the Red River by a stern wheel steamboat. The locomotive was used in the construction of the first rail line in Manitoba between St. Boniface and Emerson.
